HARD CAMPAIGN COMES TO CLOSE

Students at Washington and Lee Elect Their Various Officers.

[Special to The Times-Dispatch.]
 LEXINGTON, Va., May 22.—The political activity which has been very vigorous at Washington and Lee University for the past two months has now ended yesterday when the annual election for the different student offices was held. Unusual interest was manifested this year and all the positions were hotly contested practically every student in the class voting, with the exception of those on the sick list.

Probably the hardest-fought election was that for the president of the

final ball. Campaigning for this started in March and continued with unabated vigor until the last moment of the election. The polls throughout the day were crowded and the wildest excitement prevailed. The announcement came late last night that the following were elected: President, Study Body, Vice-President, Student Body; Ferdinand Vigo, President, Study Body; Roland Acres, Waddell, Danville; Secretary of the Study Body; Robert James Denny, Fredericksburg; President of Final Ball Committee, Roane; Treasurer, John Smartt, Chattanooga, Tenn.; Vice-President, Athlete Association, Joseph Ramsey, Blackburn, Grottoes; Treasurer, Athletic Association, Frank Moore, Lexington; Vice-President, Girls' Club, Walter Ulrich, Bootay, New York City; Manager the Calyx, Jasper James Barrett, Manly, Editor of the Ring Tum Phi, Leon Vernon Larsen, Nashville; Manager, Pink Gym, Phil, Randolph Saunders, Suffolk; Cheer Leader, John William Clancy, Baltimore, Md.

Closing of Schools.

[Special to The Times-Dispatch.]
 GREENSBORO, N. C., May 22.—An interesting feature of the closing exercises of the city schools this year will

be a sacred concert in the auditorium Sunday afternoon at 4 o'clock in which the best school children will participate.

On Monday evening at 8 o'clock the exercises of the senior class of the high school will be held at Lindley Street High School auditorium. On Tuesday evening at the Grand Opera House the annual commencement exercises will be held, the literary feature being an address by Hon. R. N. Page, Congressman from the Seventh District.

QUIET IN SHENANDOAH.

Little Interest in Being Taken in the Campaign.

[Special to The Times-Dispatch.]

WOODSTOCK, Va., May 22.—Shenandoah county, the hottest of great political strife in years gone by, seems to be very little disturbed over the coming election, which is to be held in the primary on August 1, but it can be expected that the Democrats will be aroused and that the county will roll up a big vote. The fight over the gubernatorial nomination is the突出的 one, and the candidates have their following and the voters are beginning to declare themselves. While it is yet early, the best guess seems to be that the county will go to the Democratic column, though an estimate of the majority is hardly to be made. Even less attention seems to have been paid to candidates for offices below the governorship. The usually excited campaign has an air of quiet, pointing to the primary as the nomination of a candidate for the House of Delegates. Delegate H. B. Bowman will probably be a candidate for a third term, but the Democrats have not yet determined who will defeat him, although no one has been spoken of as yet as a probable candidate.

SHOT AT WOMAN.

Hotel Clerk Held for Seeking to Kill Prostitute.

[Special to The Times-Dispatch.]

DURHAM, N. C., May 22.—A sonnet was sprung at the Murray Hotel, when Night Clerk Charles S. Dorsey, a mere youth of 19, shot a prostitute, Mrs. J. T. Butler, wife of the proprietor.

Mr. and Mrs. Butler threw out some suggestions that insulting messages had been sent to Mrs. Butler by persons whose names are not obtainable now, but they may come out in the recordor's court Monday. Dorsey says it was an accident. The ball went through a closed door and struck the screen.

The Peaks of Otter Chapter also offered a gold medal for the best essay on the subject of "Our Nation Divided From the Beginning of the Commonwealth of Virginia to the Civil War, and How Virginia was Affected by Them." The honor was awarded to Miss Virgile Wilkinson, with Robert M. Berry second.

[Special to The Times-Dispatch.]

LEXINGTON, Va., May 22.—A feature of the Salem Female College commencement exercises to-day was the interesting announcement that a granite monument will be placed in Alumni Hall, the college Hall of Memory, by one of the sororities, the Alpha Delta Phi. The memorial will be an exquisitely carved piece of statuary of finest Carrara marble, imported direct from Italy, and will be placed in the hall

COOL THOUGHTS
 FOR WARM DAYS

As warm weather approaches our thoughts turn lightly to cool places, but there are many who for one reason or another must remain in the city all the summer. Those persons need not be called unfortunate because they are more fortunate than many of those that go away and put up with as bad or worse than the city heat.

You can stay here and have electric fans installed in your home and then escape into the coolness when you are away.

The country air at the seashore, the mountains, because you have all the comforts of a cool home, and then some that those away cannot have.

In a sick room in the summer time an electric fan is one of the greatest comforts.

The following are those who completed the course of the High School and were awarded diplomas of graduation: Edward A. Edwards, Miss Mary Orlena Edwards, Miss Minnie L.
